Be sure your answers are as *detailed as possible* in order to demonstrate your level of understanding.

o But *be judicious in your explanations* – you don't want to have extraneous information.

1. What do you see (what are the **important details** in the cartoon)? (*hint: don't interpret the cartoon here, just describe it*)

2. What **specific aspects/symbols** in the cartoon help to show the cartoonist's opinion of social programs? (*hint: be sure to clearly explain how the key message of the cartoon relates to social programs in Canada*)

3. **Do you agree or disagree** with the cartoonist's **message**? Why or why not? (*hint: defend your answer using the information you have learned in class about economics, and social programs in Canada*)
